

Mr. Lebed:

This is the man I told you about on the 'phone today:

Arnold Nikolayevich SHLEPAKOV  
Born 16 June 1930 in Vinnitsya  
Historian

According to John, he writes articles and reviews in Ukr. Istorichesky Zhurnal and whenever U. S. and other professors visit at Kiev University, he is usually one of the professors they meet. Also according to John, he is a young fellow (relatively) and a docent of history at Kiev Univ.; supposedly a specialist on the Ukrainian emigration in the United States. John said he wrote a book, about two or three years ago, entitled, Istoriya Ukrains'koyi Trudovoyi Imigratsiyi. You probably will find other information about him in the Soviet press. I shall let you know if I hear anything more about whether or not he is here.
